THE age in which we live is truly one of research and discovery, and to Professor Woods the present and succeeding generations are indebted for one of the most valuable remedies produced for the restoration of the hair. Many persons while young in years begin to lose their hair, and some turn gray, but by the use of this truly wonderful preparation, its tendency to fall off is

arrested, or restored to its original color, and it is rendered soft and glossy in appearance. Remember, this is not a dye. We hear it highly spoken of .- Quincy (Ill.) Patriot, Nov. 3, 1850.
